## Love, Marriage and Sex

Even the mention of these words bring many different and deep responses that resonate down to our very souls. These words can represent experiences that are filled with much joy and passion, and much pain and heartbreak. These things, that in childhood we believe are meant to be beautiful and life giving, have often become synonymous with failure and disillusionment. Often our own experiences or those we love leave us wondering: What is Love and can it ever be found? Is Marriage just a contract meant to be broken? Is sex just an instinctual act that is purely physical, or is it meant to be something more? And finally: Can any of these be found and experienced in any deep and lasting way that matches the longings that we have? Many voices have attempted to answer these questions, often in contradictory ways. The good news is that God, who has created these very things, has spoken about them as well. As we open His Word to investigate Love, Marriage and Sex may we come to know Him as the giver of every good gift.

## Missionary Update

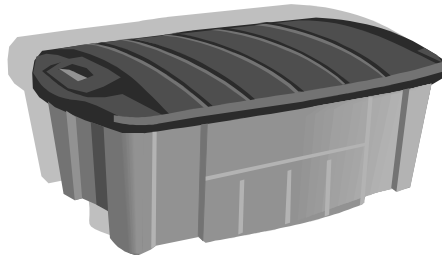

---

### **Richard and Marina Haverkamp Retired from Belgium**

Although they are retired from the Mission field Richard is still very active in preaching, visitation and a couple of Bible Studies here in Canada. They have asked for prayer as they build relationships with people where they are.

'I started a bi-weekly bible study in the apartment building here. Between 12 and 20 are attending, of which the majority are Christians, but some lack assurance and teaching...an 88 year old woman accepted the Lord and is no longer afraid to die, Praise the Lord.'

**Mission Trips** Some of Elim Bible Chapel are involved in mission trips. Here are some of the details and dates so that you are able to pray and support them.

**Haiti:** Ed & Mary Wiendels, Paul Edlington & Chuck Jefferson will be going to Haiti with a group from Parkhill the week of February 21 through Feb 28. They will be working on a house there.

**Joy Bible Camp in Bancroft, Ontario** over March Break see Bill Dakin if you're interested
