In the Beginning: A Study of Genesis 1-11

A plan existed in the mind of God much earlier than the first chapters of Genesis. For the Father, the Son, and the Holy Spirit existed in eternity past. Yet, in the early verses of Genesis 1, His plan is set in motion! Come and join us for this Sunday evening series as we discover the truth of and the principles from Genesis 1-11.

Book Review

The Masculine Mandate By Richard D. Phillips

This book cuts through the cultural confusion, highlights God's mandate for men, and encourages readers to join on a journey of repentance and renewal. Phillips begins in the Garden of Eden, drawing foundational teaching for men from the earliest chapters of God's Word. This is teaching that reaches into all of life. Christian men today need to examine their hearts and embrace their God-given mandate. Only then will they be able to recognize their high calling, and by God's grace, serve faithfully in whatever context God has placed them.
